SKILLS

Programming Language & Framework	: JavaScript, HTML, CSS, React, React Native, Java, Swift
Tech Tools	: Microsoft SQL, Jira, Postman, DynamoDB, FireBase
Cloud Services	: Amazon Web Services, Lambda Function, S3 Bucket, Cognito
Low-code/Automation platforms	: Outsystems, Blue Prism

WORK EXPERIENCE

Full Stack Developer - Internship

Feb.2022 - Aug.2022 ICBC
(Insurance Corporation of British Columbia)

- Developed an Web Application to collect odometer reading from customers & insurance brokers using Javascript and connected to ICBC Database
- Ensured production stability by testing applications and performing production verification as a result of regular security patching
- Upgraded CRP(Claim Repayment Process), found inserted Javascript codes everywhere, interpreted how they worked, and converted them into automation program algorithm
- Tested validation of input data using Postman after Penetration Test

TECHNICAL EXPERIENCE

Trusting Pixels (Industry Project)

Apr.2021 - May.2021 BCIT

- Connected React Native and Swift (Ejected React-Native and made functions in Swift)
- Communicated actively with the initial development team to rebuild the AWS environment
- Deployed the App to TestFlight, and improved the performance by rebuilding the internal features and improved UX by making about 20% of existing UI

To-do list & Note Application

Mar.2021 - Apr.2021 BCIT

- Built a serverless Web App based on React: Saving and loading a set of images/hyperlinks, a list of to-do items, and a set of notes
- Used AWS service (Cognito, S3 bucket, Lambda function) and saved user-specific information in DynamoDB

Java Programming Project

Mar.2019 - Nov.2019 Dankook University

- Made an 64 Base Encoding/Decoding program
- Designed Money Planner App and Made High level design Document

Activities & Awards

Regular soccer play in FC Joy	Mar.2019	-	Present
Served youth community as a leader in church	May.2015	-	Feb.2019
A full four-year scholarship in University	Mar.2014	-	Feb.2020

Education

BCIT (Certificate) - Software Systems Development Program	Sep.2020 - May 2021	Vancouver BC
DanKook University - Mobile Systems Engineering (Bachelor of Science in Computer Science)	Mar.2014 - Feb.2020	South Korea
